Designated Primary and Commercial Service Airports in Alaska and Washington
Covered by 24 CFR Part 51D
As of November 8, 2005

Attached is a revised list of designated primary and commercial service airports covered by 24 CFR Part 51D. A primary airport is one that serves at least .01 percent of all passengers enplaned at commercial service airports. Airports with scheduled service of 2,500 or more passengers enplaned are listed as 'Other Commercial Service Airports.'

For a link directly to the Federal Aviation Administration's data, please visit:
http://www.faa.gov/airports_airtraffic/airports/planning_capacity/passenger_allcargo_stats/passenger/media/cy04_commercial_state.pdf

Please note that <u>all</u> military airports must be considered under HUD's regulations at 24 CFR 51(D); they are not included on this list.

Airports in **bold** have new designations this year.
